

# Oh World

R. Melnyk, G. Schive, H. Seyfarth  
arr. John August Pamintuan

S/S/A

T/Bar/B

$\text{♩} = 70$

Oh, oh world, world in a whirl, one a-round the sun, Sun shine

6

down, shi - ning bright, ligh - ten up our line. You can come out and see it now where the

11

earth is gon - na float you to. You're gon - na get to feel - ing how the mo - ving waves will car - ry you through

16

Bu - ried in the deep is made a dia - mond as formed in - ten - tion cre - a - ted in a stone

21

*belters enter one by one after the chorus has introduced the theme*

you, you and me are sai - ling through be - co - ming free

sai - ling through the seas, strea - ming through our dreams, sai - ling through the seas, strea - ming through our dreams

*repeat as desired*

and so have I made from my own, Oh oh world

clap
